

## Are You Limiting God?

### Scripture

- **Colossians 1:9-12**

For this reason, also, since the day we heard of it, we have not ceased to pray for you and to ask that you may be filled with the knowledge of His will in all spiritual wisdom and understanding, so that you will walk in a manner worthy of the Lord, to please Him in all respects, bearing fruit in every good work and increasing in the knowledge of God; strengthened with all power, according to His glorious might, for the attaining of all steadfastness and patience; joyously giving thanks to the Father, who has qualified us to share in the inheritance of the saints in Light.

### Other Scriptures

- Proverbs 23:7
- John 16:12

### Main Points

- The Jesus that God wants us to know is so much bigger than the Jesus that we *do* know.
- If we don't let go of where we are to move on to where God wants us to be, we're never going to enter in to the deep waters.
- If you want to walk in a fuller measure of God's Spirit, you need to become less self-centered and more of a giver.
- God wants to lead you through the wisdom He gives you in your mind.
- Whatever obstacles we face, we need to overcome them and walk in a manner worthy of the Lord.
- Because you have the Spirit of God, you have the power to bear fruit in the spirit world.
- God has given us His Spirit to bear good works.
- Jesus wants to say something new to you!
- Jesus wants to say something more to you!
- God wants to ground us so that we are steadfast.
- Bless the Name (English) is Baruch HaShem in Hebrew.

### Discussion Questions

1. What is spiritual wisdom and what is the source of this wisdom in our lives? What should be the place of feelings in God's leading us in supernatural wisdom?
2. Walking in a manner worthy of the Lord starts from the moment you open your eyes in the morning. Rabbi described it as the trajectory of the heart. What did he mean by this? How is God challenging your heart with this truth?
3. Because you are spirit first, you can accomplish spiritual work not only in the material world, but also in the spirit. What do you think Rabbi meant by this? What would a work in the spirit realm look like?
4. What limits us in growing deeper and larger in the Spirit? What must your part be?
5. What will be the result of all He has done for us and in us and through us (from the final verse)?
