## Discussion Questions

1. What is the Song of Songs really? Is it just King Solomon's writing to his bride?
2. Why is the book a rather unusual addition to the canon of Scripture?
3. What messages does the book bring to us?
4. From Luke 24:15-31, what did Jesus teach the disciples on the road to Emmaus and how does this apply to the Song of Songs?
5. Write about the intimacy of God with us from the theme of the wedding? What do the Scriptures throughout the Bible have to say about wedding the Father and He, us? Do you long for this intimacy with Yeshua?
