Main Points

- Reality: There is evil in the world.
- The evil that exists in the world hates what God is doing, and hates who God is.
- The devil tries to resist and hinder God.
- Our fight is not against flesh and blood. We have to learn how to warfare in the invisible realm of the spirit in order to attain victory!
- God's will is that His victory would be apparent on our lives.
- Victory is not automatic; the Bible says we must overcome.
- Last week's lesson related how spirits can oppress the life of a believer.
 - Spirits can be passed on through generations. The first way that spirits enter into our lives is through our family history.
 - Self-Deliverance- with the help of Jesus, you can learn how to warfare against your enemy and how to fight for yourself.
 - The second way demons enter into our lives is through our personal sin.
- Believers cannot be possessed by a demon.
- Demons can invade the space of a believer. He is a squatter in our minds or body.

- Some are not entering into the space God has for us because we are afraid to face the demons occupying the space.
- Demons disguise themselves as angels of light.
